Subject: Final dates for state, district and block level trainings for National Deworming Day 2016

Department of Health, Government of Rajasthan is planning to implement "National Deworming Day" on February 10, 2016 followed by Mop-day on February 15, 2016 with support of Department of Education, ICDS, UNICEF and Evidence Action – Deworm the World Initiative.

As discussed in the meeting of Nodal officers of the respective departments in the office of Director RCH, Medical and Health Department, Rajasthan on December 4, 2015 the dates finalized for state, district and block level trainings are January 4-5, January 11-12 and January 19-31, 2016 respectively. A training cascade has been annexed for the same to provide you more clarity on this.

Here I want to emphasize there should be integrated distribution of drugs and printed (IEC, training material and reporting formats) material during block level trainings for the NDD. Therefore It is requested you to communicate the training dates to your district & block level officials and direct them to receive all the material required well before January 15, 2016.
