B. Human Resource

2. Performance measurement system set up and implemented to monitor performance of regular and contractual staff.
3. Baseline assessment of competencies of all SNs, ANMs, Lab Technicians to be done and corrective action taken thereon.

29/7

C. Financial

4. District shall not make any change in allocation among different components/activities without approval of State Health Society.
5. District shall follow all the financial management systems under operation under NRHM and shall submit Balance Sheets, Quarterly Summary Concurrent Audit Report, FMRs, Statement of Fund Position, as and when they are due.
6. The accounts of the District Health Society shall be open to inspection by the sanctioning authority and audit by the Comptroller and Auditor General of India under the provisions of CAG (DPC) Act 1971 and internal audit by Principal Accounts Office of the Ministry of Health & Family Welfare, GOI.
7. District shall ensure submission of details of unspent balance indicating, inter alia, funds released in advance and funds available under District health Society.
8. The District shall also intimate the interest amount earned on unspent balance.
9. District shall ensure 100% utilization of Untied fund, AMG & Corpus grant & monitor health facilities regularly.
10. District shall ensure submission of monthly consolidated financial & physical report 7th of every month.
11. Gaps in implementation of JSSK may lead to reduction in outlay up to 10% of RCH base flexi pool.

D. Infrastructure

12. District shall set up implementation arrangement to monitor all civil works being undertaken, on a monthly basis, to ensure quality of works and completion as per schedule.

E. Communitization

13. District shall ensure that all operational guidelines relating to VHSC Sessions are complied with.
14. District shall ensure timely performance based incentives to ASHAs and to ensure that supportive supervision mechanism is put in place.
15. District shall ensure District Level Vigilance & Monitoring Committee (DLVMC) meet once every quarter to review the progress of implementation of the annual district health action plan under the NRHM.

HP
29/7

16. District shall ensure that RMRS meets as frequently as possible and mandatorily at least once in every quarter to review proper utilization of allocated funds for achievement of goals. The proceedings of such meetings should be maintained for scrutiny.
17. District shall ensure District Health Mission & District Health society meets regularly to review proper utilization of allocated funds for achievement of goals and major policy decision.
18. District shall also ensure regular meetings of Block Health Mission & Block Health society

F. Specific Programme Related

19. District shall ensure the effective implementation of weekly Iron and Folic Acid Supplementation Program launched in the state on 25th July 2013 and also focus on Rastriya Bal Swasthya Karyakaram (RBSK) for screening and treatment of school going as well as anganwadi children.
20. District shall operationalise fixed day services in family planning in addition to periodic camps.
21. District shall henceforth provide only F-IMNCI training to doctors and staff nurses whilst IMNCI is to be provided only to ANMs/AWW and other field functionaries.
22. Sterilization failure cases may be mapped and service providers and facilities from which this emanates should be provided with training and quality improvement measures leading to quality certification.
23. In high Malaria, TB and Leprosy endemic areas, ASHA may be trained in these disease control programmes and involved in case detection and treatment follow-ups.
24. Monitoring and supervision of Disease Control Programmes by the CMHO of districts on a regular basis should be ensured.

G. HMIS

25. District shall undertake institution specific monitoring of performance of Sub Centre, PHCs, CHCs, DHS etc, in the prescribed format which is to be regularly uploaded as Monthly, Quarterly and Annual Data on the HMIS. The discrepancy between HMIS & reports forwarded to district should be resolved.

H. Miscellaneous

26. Facility wise performance audit will also include the facility wise score card being developed.

29/7

27. District shall ensure establishment of supportive supervisory structures for RCH and other national programmes and for ensuring quality services.
28. District shall ensure taking appropriate action to monitor the performance of the cold chain/ILR Points and implementation details of ProMIS.

I would request you to disseminate the approved PIP in next DHS meeting and get the quarterly plan of action prepared to ensure 100% achievement of physical and financial targets envisaged in Project Implementation Plan.
