Secretary
Rajasthan State Bharat Scouts and Guides
JLN Marg, Jaipur, Rajasthan

Subject: Involvement of Scouts and Guides in National Deworming Day, 10 February 2017

We thank you for the support extended by you and your team to make the Rajasthan Anganwadi and School based deworming program which is run under the aegis of National Deworming Day (NDD), a huge success in the year 2015 and 2016.

State is planning to implement upcoming round of National Deworming Day (NDD) on February 10, 2017, followed by a Mop-up day on February 15, 2017 in all the districts targeting children of 1 – 19 years for administration of Deworming Tablet (Albendazole) through Government Schools, Private Schools, Kendriya Vidhyalayas, Navodaya Vidhyalayas, Madarsa, Maa Badi Kendra and Anganwadi centers.

We would like to involve the scouts and guides from February 5, 2017 for spreading awareness about the NDD program among the community especially parents who have children falling in the school going age group (both enrolled and out-of-school) and motivate them to send their children to schools (in case of enrolled children) and out of school children to anganwadi centers on NDD (February 10). Support of scouts & guides will also be needed for motivating parents of children of 1 – 6 years for sending their children to anganwadi centers on NDD (February 10).

In this regard you are request you to issue directions to your district/ block offices to support in community mobilization activities for NDD 2017, and share a copy of the letter with State Nodal Officer, Deworming at the Department of Health (Email: wifs.raj@gmail.com, 9460060445). Your block representatives can coordinate with BCMHOs (list with contact details enclosed) of respective blocks for participation in block level trainings of NDD planned in 3rd/4th week of January 2017. Also, kindly share the approximate number of scouts & guides to be involved by you across the state for National Deworming Day in February 2017.

A note on NDD is enclosed which can be used by scouts and guides for spreading awareness.

I look forward to cooperation from your end.

(Naveen Jain)
