**Subject: Involvement of NYKS in National Deworming Day, 10 February 2017**

We thank you for the support extended by you and your team to make the Rajasthan Anganwadi and School based deworming program which is run under the aegis of National Deworming Day (NDD), a huge success in the year 2015 and 2016.

For the NDD 2017, to be held on February 10, 2017, followed by a Mop-up day on February 15, you are requested to support in the community mobilization activities of the program with the help of NYKS volunteers. This would help in reaching a high coverage and ensuring that children lead healthier and worm free lives.

We would like to involve the NYKS volunteers from February 5, 2017 for spreading awareness about the NDD program among the following –

- Panchayat members, influential community members
- Parents who have children falling in the school going age group (both enrolled and out-of-school) and motivate them to send their children to schools (in case of enrolled children) and anganwadi centers (in case of out-of-school children) on NDD (February 10)
- Parents of children above 1 and below the age of 6 for sending their children to anganwadi centers on NDD (February 10).

In this regard, you are requested to issue directions to your district/ block offices detailing what is expected from them, and share a copy of the letter with the Nodal Officer, Deworming at the Department of Health: (Email: [wifs.raj@gmail.com](mailto:wifs.raj@gmail.com), 9460060445). Your block representatives can coordinate with BCMHOs (list with contact details enclosed) of respective blocks for participation in block level trainings in 3<sup>rd</sup>/4<sup>th</sup> week of January 2017. Also, kindly share the approximate number of NYKS volunteers to be involved by you across the state for National Deworming Day in February 2017.

A note on NDD has been enclosed which can be used by NYKS volunteers for spreading awareness.

  
(Naveen Jain)

Secretary & MD, NHM
